

# The Legacy Winter Garden

A year round, indoor/outdoor public plaza connecting neighborhoods

Bryant Park, NY

**Vitality** The winter garden provides a unique and exciting year round public indoor/outdoor venue that will act as a magnet for visitors and residents alike to the newly revitalized North Loop neighborhood. The programmed spaces and events will create an ideal pre and post game rendezvous spot for sports enthusiasts and bring new life to the city.

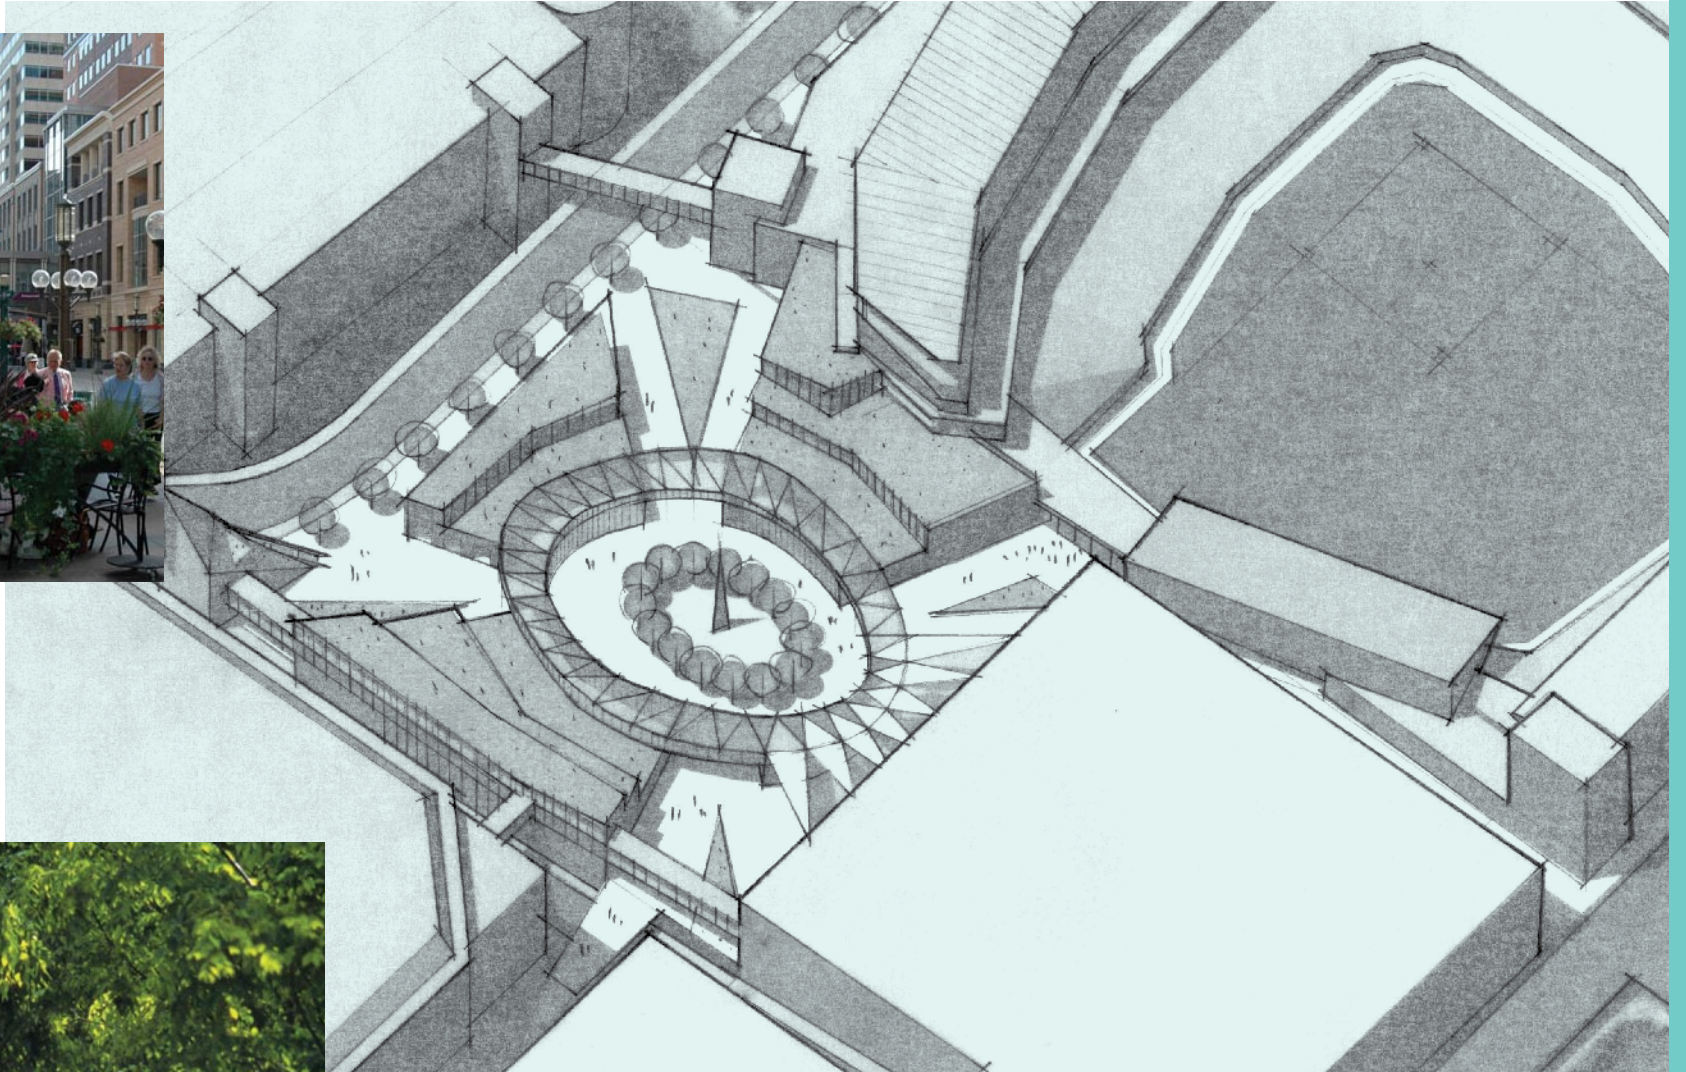

Nicollet Mall, Minneapolis

**Connections** The 24/7, year round plaza will provide sheltered and open air pedestrian connections between the Target Center and Ballpark, parking areas, neighborhood streets, skyways and public transit in the North Loop and Warehouse districts.

New Parliamentary Building, London, England

**Green** The conservatory and adjacent commercial uses will be warmed in the winter by radiant heat provided by HERC and cooled in the summer by natural ventilation through large-scale operable doors and windows. The commercial buildings will have green roofs available to the public, and sustainable building materials, processes and systems will be used throughout the plaza.
